Dear Corporate Member,

ValleyCare Health System has contracted with Fairbank, Maslin, Maullin, Metz & Associates (FM3), a public opinion research firm located in Oakland, to assist with a survey regarding issues related to ValleyCare. The results of the survey will be used by the Board of Directors to help plan for the future.

You have been selected to participate in the survey so we hope you will assist us with this important project. FM3 will be reaching out to you by phone in the next few weeks to conduct telephone interviews. We value your opinion so we hope that you will agree to be interviewed. Please be assured that all of your responses will be kept strictly confidential. Survey results will only be presented in completely anonymous summaries, such as statistical tables and charts. If by chance FM3 is unable to reach you or contacts you at a time you are unavailable, they may select another individual to complete the survey.

If there is a preferred phone number or time to contact you, please return the attached contact information form in the enclosed, business reply envelope by May 16, 2014. While we hope you will participate, you can choose not to be interviewed if you desire, by indicating that on the enclosed form as well. Any questions regarding this survey can be directed to any member of the Board.

Thank you in advance for your support and anticipated cooperation with this important project.

Sincerely,

John Sensiba,

Chair, ValleyCare Board of Directors
